GENERAL INFORMATION

ETS is committed to serving test takers with disabilities or health-related needs by providing reasonable accommodations that are appropriate given the purpose of the test.

While many test takers with disabilities successfully take a *GRE*® test with appropriate accommodations, some test takers with disabilities may want to ask their prospective institution or fellowship sponsor whether it is willing to waive the test requirement and consider their application based on other information.

Important: Test takers requesting accommodations **MUST** complete a *Testing Accommodations Request Form* and submit it to ETS Disability Services. The form may be submitted online, via email, mail or courier service. We strongly encourage using the convenient online registration system. You must submit your request and have your accommodations approved by ETS Disability Services **before** your GRE test may be scheduled. Accommodations cannot be applied to a test that has already been scheduled.

Submit your request as early as possible. Documentation review may take approximately four to six weeks once your request and complete paperwork have been received at ETS. If additional documentation is requested, it may be approximately another two to four weeks from the time the new documentation is received until the review is complete. ETS is committed to producing alternate test formats as quickly as possible; however, production times may vary.

Information about GRE program policies, tests offered, test dates, fees and payment policies, identification (ID) requirements, testing procedures and score reporting information is available in the *GRE*® *Information Bulletin* and on the GRE website at www.ets.org/gre. It is recommended you review this information prior to requesting accommodations.

To submit your accommodations request online, you will need to create an ETS account at www.ets.org/mygre. In your ETS account you may upload documentation and indicate your preferred test date and location. You may also view your approved accommodations and test appointments. In addition, if you are approved for extended test time, extra breaks, screen magnification and/or selectable background and foreground colors, you may also self-schedule your test online through your ETS account. If you are requesting and are approved for accommodations other than the four listed above, you cannot schedule your test online. Your approval letter will provide instructions for scheduling your test.

Using Previously Approved Accommodations

If you have received accommodations from ETS for another test (for example, the *TOEFL*® test, a *Praxis*® test, or a School Leadership Series assessment) and your accommodations approval is still current, you may request the same accommodations for a GRE test during the 2025–26 testing year without providing disability documentation. The accommodations ETS previously approved for you will be approved again if they are appropriate for the current test.

If you have received testing accommodations on another standardized test such as the ACT, SAT, GMAT, LSAT and/or MCAT, etc., you may request the same accommodations for the GRE test during the 2025–26 testing year by submitting a copy of your approval letter. No disability documentation is required. The accommodations approved for you by another testing agency will be granted if they do not violate test construct or test security.

GENERAL INFORMATION (cont.)

Reduced-distraction Setting

Many test takers request a reduced-distraction setting. The testing centers are designed to have minimal distractions with each test taker assigned to an individual carrel with earplugs or headphones available upon request to further reduce environmental noise.

Pre-approved Personal Items

Certain items are allowed in the testing area without prior approval. These include, but are not limited to, bandages, spinal cord stimulators, foot stool, lumbar support cushion, service animals and hearing aids/cochlear implant. However, if your hearing aids or cochlear implant have Bluetooth capabilities, accommodations must be requested. The full list of pre-approved personal items for use at test centers is available at <https://www.prometric.com/sites/default/files/Permissible-items.pdf>.

If you wear an insulin pump, you do not need to request accommodations unless your pump consists of two pieces (the pump which is attached to your body plus the transmitter used to program the pump) or your pump is especially noisy. If the pump cannot be silenced and is likely to disturb other test takers, requesting accommodations is a good idea so you may be scheduled in a separate room. A continuous glucose monitor attached to your pump does not require prior approval; however, if you wish to have your glucose test kit in the testing area, you must request accommodations.

HOW TO REQUEST ACCOMMODATIONS

Steps to Request Accommodations

To request accommodations for a GRE test, follow the steps below:

1. Complete the *Testing Accommodations Request Form*.
2. Complete the *GRE Test Authorization Request Form for Test Takers with Disabilities or Health-related Needs*.
3. Determine if disability documentation is needed.
4. Submit completed forms.

Detailed information regarding each of these steps is provided in this *Supplement*.

STEP 1: COMPLETE THE TESTING ACCOMMODATIONS REQUEST FORM (IF NOT SUBMITTING YOUR MATERIALS ONLINE)

Complete the *Testing Accommodations Request Form* on pages 11–23 in this *Supplement* or access and complete the form in your ETS account at www.ets.org/mygre.

Part I — Applicant Information

Complete this section and sign the Applicant's Verification Statement even if you are requesting accommodations identical to those approved for you by ETS previously.

STEP 1: COMPLETE THE TESTING ACCOMMODATIONS REQUEST FORM (IF NOT SUBMITTING YOUR MATERIALS ONLINE) (cont.)

Part II — Accommodations Requested

Complete this section even if you are requesting accommodations identical to those approved for you by ETS previously. If you are requesting accommodations other than those listed in Part II, you must describe them under “Other Accommodations.”

Accommodations for Health-related Needs

Health-related needs are most commonly those affecting digestion, immune function, respiration, circulation, endocrine functions, etc., and frequently require only minor accommodations.

Documented health needs include conditions such as diabetes, Crohn’s disease and chronic pain. Minor accommodations include but are not limited to: extra breaks for medication, snacks, beverages or glucose testing materials that are necessary during the test session.

Documentation for health-related needs should include a letter of support from a medical doctor or other qualified professional stating the nature of the condition and the rationale for the requested accommodation(s). Please note, handwritten documentation or a note on a prescription pad is not sufficient.

Commonly Requested Accommodations

- **Extended Test Time (all tests are timed)**
 - 25 percent (time and one-quarter) or 50 percent (time and one-half) or 100 percent (double time)
- **Extra Breaks** — The testing clock stops for breaks and does not affect your testing time. Breaks may be used for medication, snacks, trips to the restroom, etc. Some disabilities, by their nature, result in fatigue, the need for rest, and/or restroom breaks while not impacting the actual test taking. In these cases, extra breaks may be more appropriate than extended test time.
- **Accommodations for Computer-delivered Tests**
 - Screen magnification
 - Selectable background and foreground colors
 - JAWS screen reader (only for applicants who are blind or have low vision)
- **Assistance**
 - Human reader
 - Human scribe
 - Assistance with check-in and spoken directions (only for applicants who are deaf or hard-of-hearing)
 - Oral interpreter
 - Sign language interpreter
 - Assistance for note taking (only for applicants who are blind or have low vision)
 - Braille slate and stylus
 - Perkins brailler

STEP 1: COMPLETE THE TESTING ACCOMMODATIONS REQUEST FORM (IF NOT SUBMITTING YOUR MATERIALS ONLINE) (cont.)

- **Alternate Test Formats**

- Braille (only for applicants who are blind or have low vision)
- Large-print test book
- Large-print answer sheet
- Recorded audio
- Recorded audio with tactile figure supplement (only applicants who are blind or have low vision)
- Recorded audio with large-print figure supplement (only applicants who are blind or have low vision)

Part III — Certification of Eligibility: Accommodations History

All applicants are encouraged to submit *Part III — Certification of Eligibility: Accommodations History* form which serves two distinct purposes:

- To provide verification of an individual's use of accommodations either in college or in the workplace
- As a shortcut for approval of certain specific accommodations for particular disabilities

STEP 2: COMPLETE THE GRE TEST AUTHORIZATION REQUEST FORM FOR TEST TAKERS WITH DISABILITIES OR HEALTH-RELATED NEEDS (IF NOT SUBMITTING YOUR MATERIALS ONLINE)

If you plan to submit your materials to ETS Disability Services by email or mail instead of online at www.ets.org/mygre, complete the *GRE Test Authorization Request Form for Test Takers with Disabilities or Health-related Needs* form on pages 24–25 in this *Supplement*.

STEP 3: DETERMINE IF DISABILITY DOCUMENTATION IS NEEDED

DO NOT submit disability documentation if you are able to use the COE as a shortcut for approval and/or you are submitting verification of testing accommodations approval from ETS or another standardized testing agency. Submitting unrequired documentation will delay the review process. **For more information regarding disability documentation guidelines, please visit www.ets.org/disabilities.**

If you have a learning disability, ADHD, TBI, ASD, a psychiatric disability and/or a physical disability and are requesting 50% extended test time (time and one-half) or less and/or extra breaks, you do not need to submit documentation if you are submitting a valid *Part III — Certification of Eligibility: Accommodations History*.

If you are blind or legally blind, you do NOT need to submit documentation if you are submitting a valid *Certification of Eligibility: Accommodations History* form and are requesting only accommodations from the list below.

- Screen magnification
- Screen reader
- Selectable background and foreground colors

STEP 3: DETERMINE IF DISABILITY DOCUMENTATION IS NEEDED (cont.)

- Braille
- Large print (test book and/or answer sheet)
- Recorded audio
- Human reader
- Scribe
- Braille slate and stylus for note-taking
- Perkins brailler for note-taking
- Extra breaks
- 50 percent extended test time (time and one-half)
- 100 percent extended test time (double time) when also requesting braille, a human reader, recorded audio, or a screen reader

If you are deaf or hard-of-hearing, you do NOT need to submit documentation if you are submitting a valid *Part III — Certification of Eligibility: Accommodations History* form and are requesting only accommodations from the list below.

- 50 percent extended test time (time and one-half) or less
- Extra breaks
- Sign language interpreter (for check-in assistance and spoken directions)
- Oral interpreter (for check-in assistance and spoken directions)

STEP 4: SUBMIT YOUR COMPLETED FORMS AND DOCUMENTATION TO ETS DISABILITY SERVICES

Requests for testing accommodations may be submitted online or via email, mail or courier service. We strongly encourage using the convenient online registration system. ACKNOWLEDGMENT (cont.)

Purpose and Legal Basis for Processing: To provide tests and testing services as requested, including processing for the administration of tests, such as marking, and score reporting to test takers and nominated score recipients.

Legitimate Interests relied upon: ETS requires your Personal Information for purposes of administering educational tests and providing these tests in a secure manner so that test takers receive accurate results and test qualifications are recognized by intended score recipients.

International Transfers: Data will be transferred to data processors engaged by ETS in various jurisdictions outside of the EEA, depending on the particular Testing Services requested. These transfers are made in accordance with the acknowledgment you have given above and intercompany and third-party transfer agreements, in accordance with applicable laws.

Personal Information Retention: Personal Information is generally held for five years from the date of its submission. This period may be extended by ETS if the score for the Testing Service you require remains valid for a longer period (which information is usually contained in your testing result information), if the Testing Service you have requested is being reviewed or if our legitimate interest in retaining your Personal Information remains in place. It also may be shorter if we no longer require your Personal Information (for example, if you have expressed interest in a test but have not taken one). You may contact us at etsinfo@ets.org if you require further information.

Data Subject Rights: In addition to the rights described above, you may have data portability rights. For security reasons, most testing organizations will require that Personal Information be obtained directly from you and this may limit the usefulness of your data portability rights.

Supervisory Body: Please contact the national data processing authority in the jurisdiction in which you receive the Testing Services.

For Hong Kong residents only: Subject to applicable laws regarding our use of your Personal Information, we will not use your Personal Information if we do not reasonably believe that such use is in your interests. In order for us to supply you with the Testing Services, you must supply us with your Personal Information to complete any registration, purchase or other transaction you request online and/or perform any of our other contractual obligations to you which requires us to have the Personal Information.

For Australian residents only: Please be informed that if you agree to the overseas disclosure of the information or transfer of your data outside of Australia, ETS and its affiliates will not be required to take reasonable steps to ensure that ETS or its affiliates' use of such data outside of Australia does not breach the Australian Privacy Principles.

For Canadian residents only: This is the notification that ETS is required to provide to Canadian residents. Please see above regarding International Data Transfers. Where we transfer Personal Data to third parties, we contractually require third parties to have a written procedure in place that comply with the requirements of the applicable privacy laws in Canada.

For Singapore residents only: In connection with the transfer of your Personal Information outside of Singapore, ETS believes that the laws of the recipient country of your Personal Information will provide a standard of protection comparable to the applicable laws of Singapore.

Contact Information

If you have questions or requests concerning our use of your Personal Information, you should contact: etsinfo@ets.org.

By indicating "Accept," you expressly and voluntarily acknowledge and agree to the terms and conditions above, particularly those relating to our use of biometric data and the international transfer of Personal Information.

Verification Statement to Be Signed by Applicant

I attest to the fact that the information recorded on this application is true, and if this application is not sufficient, I agree to provide ETS with any additional information or documentation requested in order to evaluate my request for accommodations. I also give permission to release to ETS a copy of any pertinent information required to establish the need for the accommodation(s) requested herein. If I am requesting the use of an assistive device, I am familiar with its use.

I understand that all information that is necessary to process this application must be available to ETS sufficiently in advance of the test administration date to provide time to evaluate and process my request for accommodations. I also understand that processing may take approximately four to six weeks from the time the application is complete. If additional documentation must be submitted, it may be another two to four weeks from the time the new documentation is received until the review is complete. I acknowledge that ETS reserves the right to make final determination as to whether any requested accommodation is warranted and appropriate.

If I am submitting *Part III — Certification of Eligibility: Accommodations History* form, I acknowledge that my request for accommodations will not be processed if I alter or revise Part III in any way after the appropriate official has completed it. I also understand that ETS does not waive its right to ask the person who completes Part III on my behalf to submit the supporting documentation, if necessary, either before or after the test administration date.

I authorize any person completing *Part III — Certification of Eligibility: Accommodations History* form on my behalf to release this information to ETS upon ETS's request. For quality assurance, *Part III — Certification of Eligibility: Accommodations History* form may be subject to audit resulting in a review of the actual disability documentation on file.

I acknowledge that any submitted information may also be used for research purposes, and that in no case will any individual be identified by name in research studies, and that the information will be protected by the terms of ETS's Confidentiality of Data Policy.

I further understand that ETS reserves the right to withhold or cancel my scores if it is subsequently determined that, in ETS's judgment, any information presented in this application or supporting documentation is either questionable, inaccurate, or used to obtain accommodations that are not necessary.

I understand that ETS has contracted with an external panel of expert consultants with whom it may consult to augment its in-house expertise. By submitting my request for accommodations, I authorize and provide my consent to ETS to share my personal information as needed concerning this request.

If you do not agree to these cross-border transfers, then you should refrain from using the website. You may have a right under applicable law to revoke your consent to the international transfer of your Personal Information. If you do so, we are unlikely to be able to continue providing the Testing Services to you.

ACKNOWLEDGMENT (cont.)

We communicate your Personal Information to certain third parties, within the jurisdiction of your location and elsewhere, with whom we have a direct or indirect business or contract relationship in order to provide you with the Testing Services you have requested. ACKNOWLEDGMENT (cont.)

Purpose and Legal Basis for Processing: To provide tests and testing services as requested, including processing for the administration of tests, such as marking and score reporting to test takers and nominated score recipients.

Legitimate Interests relied upon: ETS requires your Personal Information for purposes of administering educational tests and providing these tests in a secure manner so that test takers receive accurate results and test qualifications are recognized by intended score recipients.

International Transfers: Data will be transferred to data processors engaged by ETS in various jurisdictions outside of the EEA, depending on the particular Testing Services requested. These transfers are made in accordance with the acknowledgment you have given above and intercompany and third-party transfer agreements, in accordance with applicable laws.

Personal Information Retention: Personal Information is generally held for five years from the date of its submission. This period may be extended by ETS if the score for the Testing Service you require remains valid for a longer period (which information is usually contained in your testing result information), if the Testing Service you have requested is being reviewed or if our legitimate interest in retaining your Personal Information remains in place. It also may be shorter if we no longer require your Personal Information (for example, if you have expressed interest in a test but have not taken one). You may contact us at etsinfo@ets.org if you require further information.

Data Subject Rights: In addition to the rights described above, you may have data portability rights. For security reasons, most testing organizations will require that Personal Information be obtained directly from you and this may limit the usefulness of your data portability rights.

Supervisory Body: Please contact the national data processing authority in the jurisdiction in which you receive the Testing Services.

For Hong Kong residents only: Subject to applicable laws regarding our use of your Personal Information, we will not use your Personal Information if we do not reasonably believe that such use is in your interests. In order for us to supply you with the Testing Services, you must supply us with your Personal Information to complete any registration, purchase or other transaction you request online and/or perform any of our other contractual obligations to you which requires us to have the Personal Information.

For Australian residents only: Please be informed that if you agree to the overseas disclosure of the information or transfer of your data outside of Australia, ETS and its affiliates will not be required to take reasonable steps to ensure that ETS or its affiliates' use of such data outside of Australia does not breach the Australian Privacy Principles.

For Canadian residents only: This is the notification that ETS is required to provide to Canadian residents. Please see above regarding International Data Transfers. Where we transfer Personal Data to third parties, we contractually require third parties to have a written procedure in place that comply with the requirements of the applicable privacy laws in Canada.

For Singapore residents only: In connection with the transfer of your Personal Information outside of Singapore, ETS believes that the laws of the recipient country of your Personal Information will provide a standard of protection comparable to the applicable laws of Singapore.

Contact Information

If you have questions or requests concerning our use of your Personal Information, you should contact: etsinfo@ets.org.

By indicating "Accept," you expressly and voluntarily acknowledge and agree to the terms and conditions above, particularly those relating to our use of biometric data and the international transfer of Personal Information.
